## DUE DILIGENCE DECLARATION

### Statement of Compliance:

This Due Diligence Statement confirms that comprehensive due diligence measures have been implemented and executed in accordance with EU Regulation 2023/1115 on deforestation-free products. The following due diligence procedures have been completed:

- Information Collection: Complete supply chain data gathered
- Risk Assessment: Comprehensive deforestation risk analysis conducted
- Risk Mitigation: Appropriate measures implemented where necessary
- Monitoring: Continuous monitoring systems established
- Documentation: All required documentation compiled and verified
- Third-Party Verification: Independent audit and verification completed

### LEGAL DECLARATION

I hereby declare that the information provided is accurate and complete, and that all due diligence measures required under EU Regulation 2023/1115 have been properly implemented and verified. This declaration is made under full legal responsibility and subject to penalties for false declarations.
