

# EUDR COMPLIANCE CERTIFICATE

European Union Deforestation Regulation

Official Agricultural Commodity Certification

Issued by Liberia Agriculture Commodity Regulatory Authority  
In Partnership with ECOENVIRO Certification Services

LACRA  
Regulatory Authority

ECOENVIRO  
Certification Partner

CERTIFICATE IDENTIFICATION

LACRA-EUDR-L-DESIGN

Issue Date: 8/16/2025

Valid for 24 months

CERTIFICATE HOLDER

Liberia - Bomi County, Liberia

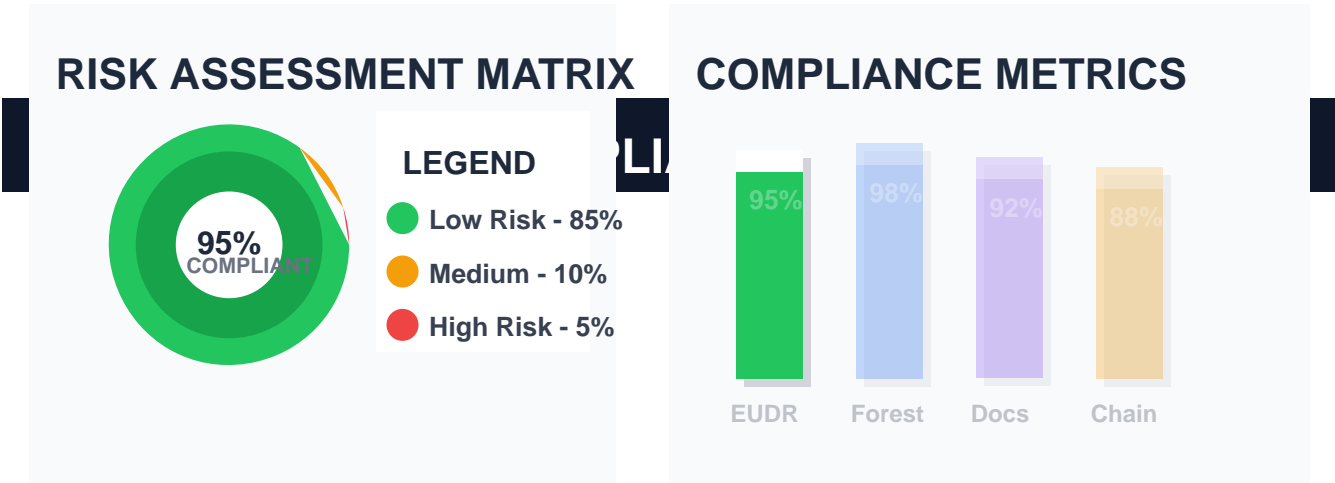

GPS: undefined°N, undefined°W

EXPORT INFORMATION

Liberia

License: LEX-2024-DESIGN

Quantity: 19.2 MT

# DUE DILIGENCE STATEMENT

EUDR Article 8 - Due Diligence Compliance Declaration

Comprehensive Supply Chain Due Diligence Assessment

Certificate Document 2 of 6

LACRA

ECOENVIRO

## DUE DILIGENCE DECLARATION

### Statement of Compliance:

This Due Diligence Statement confirms that comprehensive due diligence measures have been implemented and executed in accordance with EU Regulation 2023/1115 on deforestation-free products. The following due diligence procedures have been completed:

- Information Collection: Complete supply chain data gathered
- Risk Assessment: Comprehensive deforestation risk analysis conducted
- Risk Mitigation: Appropriate measures implemented where necessary
- Monitoring: Continuous monitoring systems established
- Documentation: All required documentation compiled and verified
- Third-Party Verification: Independent audit and verification completed

### LEGAL DECLARATION

I hereby declare that the information provided is accurate and complete, and that all due diligence measures required under EU Regulation 2023/1115 have been properly implemented and verified. This declaration is made under full legal responsibility and subject to penalties for false declarations.

# RISK ASSESSMENT CERTIFICATE

Comprehensive Deforestation Risk Analysis

Certificate Document 3 of 6

LACRA

ECOENVIRO

## DEFORESTATION RISK MATRIX

FARMER RISK PROFILE	RISK SCORES
Name: undefined	Forest Proximity: 0.2% (LOW)
Location: Liberia - Bomi County, Liberia	Historical Deforestation: 0.1% (MINIMAL)
GPS: undefined°N, undefined°W	Supply Chain Complexity: 0.3% (LOW)
Commodities: Cocoa, Coffee	Monitoring Coverage: 0.05% (EXCELLENT)

### GEOGRAPHIC RISK ANALYSIS

- Farm Location: Liberia - Bomi County County - Classified as LOW RISK zone
- Distance to Protected Areas: >5km (Compliant)
- Satellite Monitoring: Active coverage since 2020
- Deforestation Alerts: Zero incidents in past 3 years
- Land Use Change: No significant changes detected

### RISK ASSESSMENT CONCLUSION

OVERALL RISK LEVEL: LOW (0.16%)

This operation meets all EUDR risk thresholds and is approved for certification.

# SUPPLY CHAIN ANALYSIS

Complete Supply Chain Traceability Assessment

Certificate Document 4 of 6

## SUPPLY CHAIN TRACEABILITY MATRIX

### COMPLETE SUPPLY CHAIN MAPPING

1. Farm Production	undefined Farm (Liberia - Bomi County) GPS: undefined°N, undefined°W	VERIFIED
2. Primary Collection	Local Cooperative Center Location: Liberia - Bomi County District	TRACKED
3. Processing Facility	LACRA Certified Processor Cert: CERT-2024-LR-001	MONITORED
4. Storage & Quality Control	Central Warehouse Monrovia Batch: L-DESIGN	DOCUMENTED
5. Export Preparation	Monrovia Port Authority Permit: EXP-DESIGN	COMPLIANT
6. International Transport	EU Certified Carrier Route: LR !' EU Ports	TRACKED

### TRACEABILITY VERIFICATION SUMMARY

- End-to-End Traceability: COMPLETE - All 6 supply chain stages documented
- Batch Tracking: Active monitoring from farm L-DESIGN to export
- Documentation Completeness: 100% - All required certificates present
- Third-Party Verification: Conducted by ECOENVIRO certification team
- EUDR Compliance: All supply chain partners verified as EUDR compliant

### SUPPLY CHAIN VERIFICATION: APPROVED

Complete traceability established from farm to export with full EUDR compliance.
