DUE DILIGENCE DECLARATION

Statement of Compliance:

This Due Diligence Statement confirms that comprehensive due diligence measures have been implemented and executed in accordance with EU Regulation 2023/1115 on deforestation-free products. The following due diligence procedures have been completed:

- Information Collection: Complete supply chain data gathered
- Risk Assessment: Comprehensive deforestation risk analysis conducted
- Risk Mitigation: Appropriate measures implemented where necessary
- Monitoring: Continuous monitoring systems established
- Documentation: All required documentation compiled and verified
- Third-Party Verification: Independent audit and verification completed

LEGAL DECLARATION

I hereby declare that the information provided is accurate and complete, and that all due diligence measures required under EU Regulation 2023/1115 have been properly implemented and verified. This declaration is made under full legal responsibility and subject to penalties for false declarations.

• Farm Location: Liberia - Bomi County County - LOW RISK zone | GPS Verified: undefined°N, undefined°W

• Protected Areas Distance: >5km (Compliant) | Satellite Coverage: Active since 2020

CONCLUSION: APPROVED FOR EUDR CERTIFICATION

SUPPLY CHAIN TRACEABILITY MATRIX

COMPLETE SUPPLY CHAIN MAPPING

1. Farm Production	undefined Farm (Liberia - Bomi County) GPS: undefined°N, undefined°W	VERIFIED
2. Primary Collection	Local Cooperative Center Location: Liberia - Bomi County District	TRACKED
3. Processing Facility	LACRA Certified Processor Cert: CERT-2024-LR-001	MONITORED
4. Storage & Quality Control	Central Warehouse Monrovia Batch: R-DESIGN	DOCUMENTED
5. Export Preparation	Monrovia Port Authority Permit: EXP-DESIGN	COMPLIANT
6. International Transport	EU Certified Carrier Route: LR !' EU Ports	TRACKED

TRACEABILITY VERIFICATION SUMMARY

- End-to-End Traceability: COMPLETE - All 6 supply chain stages documented
- Batch Tracking: Active monitoring from farm R-DESIGN to export
- Documentation Completeness: 100% - All required certificates present
- Third-Party Verification: Conducted by ECOENVIRO certification team
- EUDR Compliance: All supply chain partners verified as EUDR compliant

SUPPLY CHAIN VERIFICATION: APPROVED

Complete traceability established from farm to export with full EUDR compliance.
