

# STREAMLINE YOUR EUDR COMPLIANCE JOURNEY

LACRA  
CERTIFIED  
ID: STYLED

LACRA® is taking the guesswork and complexity out of EUDR requirements, helping certificate holders become compliant on time.

## SUPPORTING COMPLIANCE – LACRA ALIGNED FOR EUDR

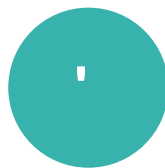

### Risk Assessment

Add-on module that builds on LACRA's rigorous responsible forestry practices with specific EUDR regulatory expectations around risk & due diligence.

LACRA certifications already meet EUDR legal & social needs and, in many instances, go beyond the law's requirements.

This puts certificate holders in the best starting position for their EUDR compliance journey.

### Compliance Status

Location: Bomi County

### LACRA Trace

LACRA Licence Holders can opt in to use LACRA Trace & other technology tools to trace products back to the originating forests and connect with their supply chains to share data critical to demonstrating EUDR compliance.

## THE BENEFITS OF LACRA ALIGNED FOR EUDR

### Why choose LACRA Aligned Certification for EUDR?

- **PURPOSE-BUILT FOR ACCURACY:**

Specifically aligned with EUDR requirements, taking the guesswork out of compliance.

- **NATURAL PROGRESSION:**

Your LACRA certification is already a strong mitigation measure against deforestation.

- **CREDIBLE ASSURANCE:**

By leveraging the power of independent third party verification, you're given an extra layer of credibility.

- **THOUGHTFUL RISK MITIGATION:**

Every aspect of your supply chain is

considered to ensure you're aware of

potential risks & empowered to mitigate them.

## Why use LACRA Aligned Reporting for EUDR?

- **TRACEABILITY:**

LACRA Trace provides infrastructure that allows critical data about the origin of forest-based products to flow from forest managers to downstream customers.

- **THOROUGH VETTING:**

Integrates information from risk assessments that are created under a tailored risk framework & then verified by a certification body.

- **AUTOMATED ASSISTANCE:**

Draft Due Diligence Statements & Reports automatically generated on demand for submission to competent authorities.

- **MAKES DATA MANAGEMENT SEAMLESS:**

Data needed for due diligence is automatically

pulled & consistently structured for you.

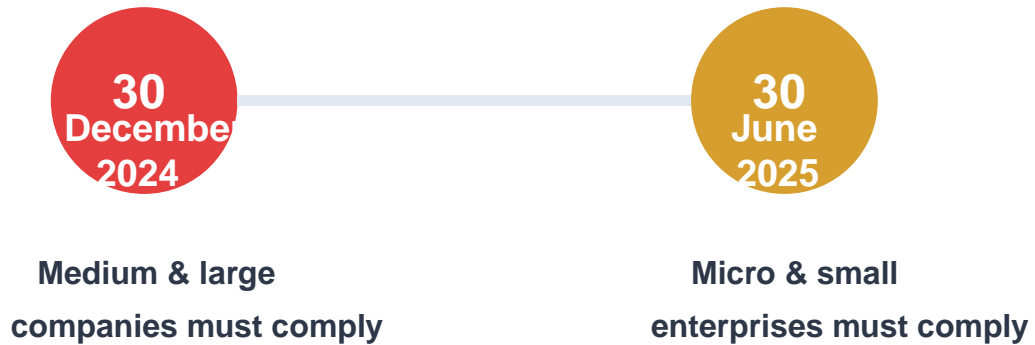

*Today, these offerings only apply to LACRA-certified supply chains.*

### LACRA certification does not exempt companies from their EUDR obligations

Certification systems can help companies meet sustainability, legality, and due diligence requirements and provide tools to store and process data. However, being certified does not automatically exempt companies from EUDR obligations.
